

PROGRAM: Wednesday, June 10, 2009

Textiles :involvement and its future into automotive body Polymers ageing

Welcome: Coffee

Opening: M. Serge GODARD, Mayor of Clermont-Ferrand, SATCAR President

09 h 40 Introduction to SIA: Daniel PFRIMMER (Director) and to **SFIP:** Jean-Paul BAUCHEL (President)

SESSION I – Textiles and Automotive Coatings: State-of-the-art Innovations

Session chairman: Jean-Paul BAUCHEL (Director of Quality and Design Development Process - RENAULT) and Carl de FREITAS (Textiles and Aspects Director - TREVES Group)

10 h 00 Introduction Conference: Textiles and Coatings: Future Needs of Automotive Manufacturers

Karine CAILLARD (PSA Peugeot Citroën), Olivier DAILLANCE (Citroën) and Antoine GENIN (RENAULT)

10 h 45 Translation of Customer Expectations in Terms of Requirements

Daniel FOURNIER (PSA Peugeot Citroën)

11 h 20 Ecology and Automotive: Textile Recycling

Philippe OLLIEU (ANTEX)

11 h 55 (R)évolution verte - Green Revolution

Virginie AGOUNE (Design MARTUR)

12h 30 Lunch

Session Chairman and Chairwoman Philippe BAILLY (Director of Developement, Michel Thierry Group) and **Karine CAILLARD** (Responsible for style identity at Peugeot and Citroën)

14 h 00 Drilltex, Technical Textiles for Automotive

Jacqueline TRAJBER (TREVES)

14 h 35 « Textile Molding »

Raymond de la BASTIE & Philippe SERRE (MONTDOR)

15 h 10 Break

15 h 40 Mithi: A New Brand, A New Product

Olivier SIMON & Dominique MARCOVECCHIO (Michel Thierry Group)

16 h 15 Engineering Polymers in Automotive: Applications, Aspects and Stabilization

Paul BOUDRY et Xavier CLEMENT (CLARIANT)

16 h 50 End of first day

17 h 10 Departure by bus: Pavin site (see page 7)

17 h 45 Site visit - Campus Universitaire des Cézeaux - 24 avenue des Landais - 63170 Aubière

19 h 15 Bus - Dinner at Hostellerie Saint Martin à Pérignat lès Sarliève

Cocktails offered by:

20 h 30 Dinner at: Hostellerie Saint-Martin

23 h 00 Return to hotels by Bus

PROGRAMME :Thursday 11 June 2009

Textiles :involvement and its future into automotive body

8 h 10 Welcome

SESSION I (continued) Textiles and Automotive Coatings: State-of-the-art Innovations

Session Chairman: Philippe GIRARD (Logan Engineer - RENAULT) and

Gérard LALLOUETTE (President, Section Body and Textile SIA)

8 h 20 Door Panel Enhancement

José LOPES-COELHO & José-Carlos BARBOSA (Simoldes Plasticos)

8 h 45 TPO Light + Touch: A Solution to Improve Perceived Quality, Weight- Reduction, Recycling and Sustainability

Francisco DE OLIVEIRA (CHOMARAT)

9 h 20 Seat covers :PVC “Patch”

Xavier WOUTERS and Franco CASTAGNA (ELCO International -Prevent Group)

9 h 55 Seat-filling technology and Consequences for Textiles

Benoît SCHEER (FAURECIA)

10 h 30 Break

11 h Complex Textile and Foam Influences on Hydro-thermal Exchanges

Edouard COHEN (ECCEL) and Roberto RAVICINO (TOSCANA GOMMA OLMO Group)

11 h 35 Borealis Xmod GD302HP: Innovations for Structure and Seatback

Thomas ROTHMAYER (BOREALIS)

12h 50 Lunch break

SESSION 2 Polymer Ageing

Session chairman Xavier DUTEURTRE (Head of fluids and materials analysis department - RENAULT) & **Jacques LACOSTE** (CNEP Director)

13 h 50 Natural Ageing – Which Reference Site to Choose?

Jean-Paul MACHETEAU & Frédéric PASQUET (RENAULT)

14 h 25 Accelerated-light ageing – Could We Go Faster?

Narcisse SIAMPIRINGUE (CNEP)

15 h 00 Influence of Ageing Parameters on Odor Emissions for Automotive Materials

- Arnaud VATINEL (IFTH Lille)

15 h 35 Influence of Color and UV Additives on Natural and Artificial Weatherability of PP Compounds

(Conférence en anglais - questions français – anglais)

Albert FOGUET (LyondellBasell Industries)

16 h 10 Summary and Conclusion :Jacques LEMAIRE professor- CNEP and

Blaise Pascal University

16 h 40 Congress Closes

No simultaneous translation
